- Great for Cold Weather
- Great for Spot Repairs
- Does not affect Gloss or Color
- Economical alternative to baking in booth
- "Turbo-charged" Cure Times
- "Turbo-charged" Productivity
- "Turbo-charged" Profits!

DESCRIPTION

Axis Turbo 2K Accelerator is an easy to use, high-quality additive designed to significantly speed up cure times of most Axis 2K Clearcoats and Primers. Simply replacing up to 50% of the traditional activator decreases the dry time and through cure time by 30% to 50%. Reducing the cure time increases your productivity and cycle time giving you "Turbo-charged" profits!

AVAILABILITY

PRODUCT	Unit	Per Case
ACH-2000-4 Axis Turbo 2K Accelerator	Quart	4
