Aerosol Ready to Use.

>>TECHNICAL DATA & FEATURES

- VOC Compliant
- Removes wax and grease
- For use on Plastics
- Pre Clean for pre paint applications

>>APPLICATION:

- Apply PC-1 or PCS Pre Clean directly to the surface or a clean cloth. Wipe the surface with sufficient material to penetrate and lift the contaminants. Wipe dry with a clean, dry, lint free cloth. Change cloth frequently so you don't re-contaminate the surface.
- Do not allow PC-1 or PCS Pre Clean to air dry on the surface. If PC-1 or PCS Pre Clean dries on the surface re-wet and wipe dry.
